

PUBLIC NOTICE

Increase in Water and Sewage Rates 2017

The rates for Water and Sewage services in our community have not been increased since 2008 and the costs for delivery are increasing.

Please be advised that effective September 1st, 2017, By Law 293 will come into effect.

What this means to you.

Governments - 1 cent/litre increase.

Private Homeowners - .08cents /litre increase.

Businesses - .31cent/litre increase.

If you require further information, please contact Jim MacEachern at the Municipality at 983-4650.
